Mr. Gerald Lefcourt, Esq.
640 Broadway
New York City, N. Y. 10012

Dear Mr. Lefcourt,

Yesterday I received a letter from Mr. Harold Weisberg of Frederick, Maryland, referring to an article on the Detroit 13 case in the September 8 issue of the Washington Post. This article states that Judge Keith has scheduled a hearing on domestic intelligence activities for September 24th.

Mr. Weisberg and I believe we may be of some assistance to you. If possible, I think you should make arrangements to meet with us before the hearing on September 24th.

I am presently rushing to complete a brief for James Earl Ray's habeas corpus appeal which must be filed by September 17th. I anticipate that I should be free to meet with you any date after the 14th.

My office is in my home and I am frequently out during the day. If you should call and not get an answer, you may want to leave a message for me at Bud Fensterwald's office, either with Bud or his secretary, Mrs. Carmen De la Rama. The number there is 223-1667 (area code 202).

Sincerely yours,

Jim Lesar
